The following terms and disclosures govern the manner in which Texas Capital Bank® (“Us,” “We,” “Our”) will provide electronic banking (“Electronic Banking” and also referred to as “Online Banking”) services (“Services”) to You, the customer (“You,” “Your”). By accepting these Electronic Banking Services Terms and Disclosures (“Terms”), accessing Your deposit accounts and making use of the Services, and/or authorizing others to do so on Your behalf, You agree to be bound by these Terms. We may amend these Terms from time to time without notice, except as may be required herein or by applicable law. These Terms are effective as of November 30, 2023, and supersede and replace the previous Electronic Banking and Bill Pay Services – Terms and Disclosures.

Relation to Other Agreements

These Terms are in addition to and cumulative of any other agreements You have with Us, as amended from time to time, that are applicable to the specific account(s) You have with Us, including, but not limited to, the Personal & Small Business Banking Terms & Disclosures (“Agreement”), any fee schedules (“Fee Schedules”), and agreements implementing any of the foregoing. In the event of a conflict between (a) these Terms and (b) any Agreement, the terms of these Terms will apply. You should review the Agreement for applicable fees, limitations on the number of transactions You can make, and for other restrictions that might impact Your use of the Services for a particular account.

In addition, You understand and agree You are still subject to the terms and conditions of any agreement You have with any third-party service providers, including, but not limited to, Your internet and mobile service provider (e.g., AT&T, Comcast, Verizon, Spectrum, Sprint, T-Mobile, etc.) and any third-party service provider of or marketplace for the Mobile Banking Services (e.g., Apple, Inc., or Google, Inc. [Android]). These Terms do not amend or supersede any of those separate third-party service provider agreements. You understand that the third-party providers may require You to pay fees or other charges and place limits and restrictions which might impact Your use of the Services (e.g., data use charges, etc.). You agree to be solely responsible for all such fees, charges, limitations and restrictions. You further agree that only Your internet or mobile service provider is responsible for the performance and operation of its products and services, including Your internet access, mobile device and the provider’s own network. You agree to resolve any problems with Your third-party service providers without involving Us; Apple, Inc.; or Google, Inc. (Android). You agree to comply with applicable third-party terms when using the Electronic Banking Services (e.g., You cannot be in violation of Your wireless provider agreement when using the Mobile Banking Services).

- Sunday mornings between 12:00 a.m. and 8:00 a.m. CT

Computer Equipment

To access the Services, You must own or have access to equipment and software (including web browser software) that allows You to access the internet (collectively, the “Computer”). The web browser You use must be current and support, at a minimum, Secure Socket Layer (“SSL”) technology and 256-bit encryption. You must also have the current version of Adobe Acrobat Reader or another portable document format (“PDF”) reader that allows You to access PDF documents. You understand that if You use a web browser that does not support SSL and 256-bit encryption, the security of Your transactions related to the Services may be compromised and not in compliance with the security procedures required by Us. You further understand that You are responsible for the installation, maintenance and operation of the Computer, including, but not limit to, any viruses, internet-related problems or internet service provider fees that may be associated with Your access and use of the Services. We reserve the right as technology develops to impose further restrictions or requirements to maintain the appropriate level of security for the transactions contemplated hereunder. You agree to abide by such restrictions or requirements or to discontinue the Services. **THE RISK OF ERROR, FAILURE, OR NON-PERFORMANCE OF THE SERVICES IS YOUR RISK AND INCLUDES THE RISK THAT YOU DO NOT OPERATE THE COMPUTER PROPERLY.**

WE SHALL NOT BE RESPONSIBLE FOR ANY DIRECT, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGE ARISING IN ANY WAY OUT OF THE INSTALLATION, USE OR MAINTENANCE OF YOUR COMPUTER OR THE SERVICES, OR ANY ELECTRONIC VIRUS OR VIRUSES THAT YOU MAY ENCOUNTER, EXCEPT WHERE THE LAW REQUIRES A DIFFERENT STANDARD. WE MAKE NO WARRANTY TO YOU REGARDING YOUR COMPUTER, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE LIMITATIONS ON OUR LIABILITY AND DISCLAIMER OF WARRANTIES CONTAINED IN THIS SECTION ARE IN ADDITION TO THE OTHER LIMITATIONS ON OUR LIABILITY AND DISCLAIMER OF WARRANTIES PROVIDED FOR IN THESE TERMS, ANY OTHER AGREEMENT BETWEEN THE PARTIES OR PROVIDED BY APPLICABLE LAW.

Security Procedures; Care of Your Security Code, Username and Password

The first time You access the Services, You will be asked to provide information to verify that You are an account holder and/or to otherwise identify Yourself. You will be assigned and/or asked to create a username and password or other security code (e.g., a Secure Access Code, a Security Question or a Security Word). You agree that the use of usernames, passwords and security codes is a reasonable method to authenticate Your transactions and other actions, and those transactions and other actions which You authorize others to conduct for You. **YOU UNDERSTAND AND AGREE THAT YOU WILL BE RESPONSIBLE FOR MAINTAINING SECURITY AND CONTROL OVER YOUR USERNAME AND PASSWORD AND ANY SECURITY CODE PROVIDED BY US OR CREATED BY YOU AND YOU SHALL USE THE SAME OR SIMILAR SECURITY AND CONTROL OVER SUCH ITEMS AS YOU WOULD USE FOR CASH, BUT IN NO EVENT LESS THAN THE AMOUNT OF SECURITY AND CONTROL THAT WOULD BE REASONABLE UNDER THE CIRCUMSTANCES.**

You agree that You will not give Your username, password or other security code, or make them available, to any other person. You are responsible for all transactions and other actions You initiate or authorize through the Services. If You disclose Your username, password or other security code to any person, allow any person to obtain Your username, password or other security code, or permit any person to use the Services, You will have authorized that person to access Your accounts and You agree to be responsible for all transactions and other actions that person initiates or authorizes from Your

accounts. If You believe that Your username, password or other security code has been lost or stolen, or that someone has made payments, Transfers and/or taken other actions using Your username, password or other security code without Your permission, You agree to notify Us **IMMEDIATELY** by phone or email using the contact information below.

Texas Capital Bank — Client Support Center
1.877.TEX.BANK (839.2265)
clientsupport@texascapitalbank.com

You understand that if You do not notify Us in a timely manner, the unauthorized use of Your username, password or other security code could cause You to lose all of the money in Your accounts, to the maximum extent permitted by applicable law, plus any amount available under Your overdraft protection, if any. You agree that We have the right (but not the obligation) to change Your username, password and any other security code at any time by giving oral or written notice to You. You agree that Your use of the new username, password and/or other security code after We provide notice of the change(s) constitutes Your acceptance of the new username, password and/or other security code. You acknowledge that the purpose of Your username, password and security code is to authenticate the identity of the person initiating the action and not to detect errors in any transmission or content. We are not agreeing to any procedure for the detecting of errors. You represent that You consider these security procedures to be commercially reasonable with respect to the size, type and frequency of deposits You anticipate submitting and other types of transactions and other actions You anticipate You may engage in via the Services, including those transactions that You anticipate making via the Mobile RDC Service.

Access to the Services requires that You receive and transmit data, information, orders and instructions (including, without limitation, instructions to Transfer, transmit, pay or remit funds) via connection or remote computers over telephone lines. You acknowledge that data including email, electronic communications, and confidential financial data and information may be accessed by unauthorized third parties when communicating to Us using the internet or other network or dial-up communications facilities, telephone or any other electronic means. By using the internet in connection with the Services or to otherwise communicate with Us, You are assuming the risk that viruses, Trojan horses, worms, or other harmful components may be transmitted to You, including those that may allow unauthorized third parties to communicate with Us and initiate transactions or take other actions using Your identity in such a way as to cause Us to believe such communications and transactions or other actions are made by You. You agree to install and utilize on Your system commercially reasonable anti-virus and/or similar software or use other appropriate protections as You deem necessary to protect against such risk. **WE DO NOT WARRANT THAT THE SERVICES, ANY REPORT GENERATED IN CONNECTION WITH THE SERVICES, OR THE SERVERS OR OTHER PROPERTY THAT IS USED TO PROVIDE THE SERVICES AND ANY REPORTS GENERATED WILL BE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS.**

With respect to internet access to the Services, You agree to use “browser” software that supports a data security protocol compatible with the protocol used by Us. Until notified otherwise by Us, You agree to use software that supports the secure socket layer (SSL) protocol or other protocols accepted by Us and follow Our log-on procedures that support such protocols. You acknowledge that We are not responsible for: (i) notifying You of any upgrades, fixes or enhancements to any such software; or (ii) any compromise of data transmitted across computer networks or telecommunications facilities, including, but not limited to, the internet. With the exception of applications commonly known as web browser software, or other applications formally approved by Us in writing, You agree not to (a) use any software, program, application or any other device to access or log on to Our computer systems, website or proprietary software; or (b) automate the process of obtaining, downloading, transferring or transmitting any data or information to or from Our computer systems, web site or proprietary software. You understand and acknowledge that engaging in the practices described in (a) and (b) increase the risk of unauthorized access to Your Computer and accounts, which could result in fraudulent transactions or other harmful activity, and You agree to bear all liability for any losses sustained as a result of Your engaging in the practices described in (a) or (b).

We reserve the right at any time to change any or all of Our security procedures, and You agree to follow and comply with any such changes after being notified by Us of such change. You agree that Your use of any Services after We provide notice of a change constitutes Your acceptance of the new security procedures.

We also reserve the right to require that such other security requirements be met as We deem necessary, in Our sole discretion, before accepting any order or instruction or reinstating Your access to the Services. You understand and agree that the fact that We may not require additional security procedures in one case does not waive Our right to require such additional security procedures in other cases. In addition, You understand and agree that the fact that We require additional security procedures in one case does not establish an expectation on Your part that We will require such additional security procedures in the future.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, YOU HEREBY RELEASE AND AGREE NOT TO HOLD US LIABLE FOR ANY LOSS OR DAMAGE OF ANY KIND CAUSED BY OR RESULTING FROM (A) US FOLLOWING ANY ORDER OR INSTRUCTION OR THE TRANSMISSION OF DATA AND INFORMATION TO OR FROM US, INCLUDING, WITHOUT LIMITATION, ANY ORDER, INSTRUCTION, DATA AND INFORMATION TRANSMITTED TO OR FROM US USING THE SECURITY PROCEDURES DESCRIBED IN THIS SECTION, AND (B) YOUR DISCLOSURE OF YOUR USERNAME, PASSWORD, SECURITY CODE OR OTHER BANKING INFORMATION WHETHER OR NOT SUCH DISCLOSURE WAS INADVERTENT OR UNINTENTIONAL. You agree to be responsible for all orders and instructions (including, without limitation, instructions to Transfer, transmit, pay or remit funds) entered and data and information transmitted through and under Your username, password or other security code, and any orders or instructions (including, without limitation, instructions to Transfer, transmit, pay or remit funds) so received by Us will be deemed to have been received from You. All data, information, orders and instructions (including, without limitation, instructions to Transfer, transmit, pay or remit funds) shall be deemed to be made at the time received by Us and in the form received.

No Texas Capital Bank employee, nor any of Our third-party service providers or any of their affiliates, will contact You via email or phone requesting Your username, password or security code. If anyone contacts You requesting this information, **DO NOT GIVE OUT ANY OF YOUR INFORMATION**, and contact Us **IMMEDIATELY** to report the details of the incident.

We are committed to securing Our customers' accounts and account information, as described more fully in Our "Financial Privacy Policy and Your Rights" disclosure. However, You must also take every precaution to ensure the safety, security and integrity of Your accounts, account information, and transactions or other actions conducted through the Services. We may, from time to time, recommend security guidelines. You agree to follow such security guidelines or discontinue using the Services. Your failure to comply with such security guidelines shall result in You being responsible for any liability, loss or damage resulting from such failure.

Unavailable, Delayed or Inaccurate Account Information

We strive to provide You with complete, accurate and timely information regarding Your accounts and transactions through Our Online Banking Systems and Our mobile application ("App"). **However, except as required by law, We will not be liable to You for any losses You incur as a result of unavailable, delayed or inaccurate information involving Our Online Banking Systems or Our App.**

Location-Based Information

If You use any location-based feature of the Services, You agree that Your geographic location and other related personal information may be accessed and disclosed via the Services. If You wish to revoke geographic location information that may be accessible via the Services, You must cease using the location-based features of the Services.

Our Liability for Failure to Complete a Funds Transfer

We and Our third-party service providers, as applicable, are responsible for completing funds Transfers (including bill payments) from Your eligible account(s) according to Your properly entered and transmitted instructions. We and Our third-party service providers, however, are not responsible for confirming or monitoring such instructions or refusing to process duplicate payment instructions.

WITHOUT LIMITING THE FOREGOING, IN THE EVENT THAT YOU SUFFER ANY DAMAGES OR LOSSES AS A RESULT OF OUR OR ANY OF OUR THIRD-PARTY SERVICE PROVIDERS FAILING TO COMPLETE A FUNDS TRANSFER ON TIME OR ACCORDING TO YOUR INSTRUCTIONS, YOU AGREE THAT TO THE FULLEST EXTENT PERMITTED BY LAW NEITHER WE NOR ANY OF OUR THIRD-PARTY SERVICE PROVIDERS, AS APPLICABLE, SHALL BE LIABLE FOR ANY AMOUNT IN EXCESS OF THE AMOUNT OF ACTUAL DAMAGE OR LOSSES YOU INCUR UP TO THE AMOUNT OF THE TRANSFER WE FAILED TO COMPLETE ON TIME OR PER YOUR INSTRUCTIONS. YOU AGREE THAT IN NO EVENT SHALL WE OR ANY OF OUR THIRD-PARTY SERVICE PROVIDERS BE LIABLE FOR LATE CHARGES, INTEREST, PENALTIES OR OTHER AMOUNTS INCURRED BY YOU FOR YOUR FAILURE TO ALLOW SUFFICIENT TIME FOR PROCESSING AND DELIVERY OF ANY PAYMENTS OR TRANSFERS SO LONG AS WE HAVE COMPLIED WITH THE PROVISIONS OF THESE TERMS.

Furthermore, without limiting the foregoing, there may be times or situations when We or Our third-party service providers do not or are unable to complete a Transfer per Your Instruction, and You agree We and Our third-party service providers will not be responsible for any losses or damages You incur, including in any of the following circumstances:

- You do not obtain a Confirmation Number at the time You initiate a payment and/or Transfer.
- The designated account does not contain sufficient funds to complete the payment and/or Transfer.
- The designated account is closed, frozen or otherwise inactive.
- We have identified You as a credit risk and have chosen to (i) make all payments and/or Transfers initiated by You via the Services utilizing a paper, as opposed to electronic, method, or (ii) to terminate Your subscription to the Services.
- The Services, or any communications link, is not working properly and You know or have been advised by Us about the malfunction before You execute the transaction.
- You have not provided Us with the correct instructions including, without limitation, the name, address, account number and payment amount for a bill payment.
- A payee mishandles or delays handling payments sent by Us.
- Circumstances beyond Our control prevent or delay the proper execution of the transaction. Such circumstances include, but are not limited to: telecommunication outages, power outages, equipment failures, postal strikes, delays caused by other financial institutions, fires and floods.
- The Transfer would result in Us exceeding any limitation of Our intraday net funds position established pursuant to present or future Federal Reserve guidelines.
- A court order, such as a garnishment or other legal process, prevents Us from making a Transfer.
- Any third party through whom any payment or Transfer is to be made fails to properly transmit the payment or Transfer.
- You or anyone You allow to use the Services commits fraud or violates any law or regulation.
- You do not use the Services properly.
- We have a reasonable basis for believing that unauthorized use of Your username, password, security code or deposit account(s) has occurred or may be occurring.

- You default under these Terms, the Agreement a credit agreement, or any other agreement with Us.
- We or You terminate these Terms.

The limitation on Our liability contained in this section shall be in addition other limitations on Our liability provided for in these Terms, in other agreements between the parties, or provided by applicable law.

Statements

All payments and/or Transfers made via the Services will be listed on Your monthly account statements (“Statement”) that You receive from Us.

Error Resolution

In case of an error or question involving Your Electronic Banking Services, including if You think Your Statement or receipt is wrong or if You need more information about a Transfer listed on a Statement or receipt, You should contact Us as soon as possible at the mailing address, phone number or email address provided in the “Our Client Support Center Contact Information” section of these Terms, and follow the procedure set out below in the Personal and Small Business and Other Non-Personal Accounts Error Resolution Process, as applicable.

For purposes of these Terms, “Personal Account” means a deposit account owned by one or more individuals and used for personal, family or household purposes. Other accounts, including small business and Trust Accounts, are considered “Non-Personal Accounts.” In addition to other limitations set forth in these Terms, in other agreements between the parties, or provided by applicable law, the error resolution and liability provisions applicable to consumers and Personal Accounts do not apply to Non-Personal Accounts, with the exception of debit card activity.

Personal Accounts Error Resolution Process

In connection with Your Personal Account, if You discover any error, including any unauthorized electronic funds Transfers (as that term is defined under Regulation E) or errors or other problems with Your account, You must notify Us at the mailing address, phone number or email address provided in the “Our Client Support Contact Center Information” section of these Terms no later than sixty (60) days after We sent the FIRST Statement on which the error appeared, and You must:

1. Tell Us Your name and account number (if any);
2. Describe the error or the Transfer You are unsure about, and explain as clearly as You can why You believe it is an error or why You need more information; and
3. Tell Us the dollar amount of the suspected error.

If You notify Us orally of such error, such as via telephone, We may also require that You also notify Us of such error in writing within ten (10) Business Days after You initially inform Us. We may also require You to provide the details regarding the error in the form of a sworn statement/affidavit.

We will determine whether an error occurred within ten (10) Business Days after We hear from You and will correct any error promptly. If We need more time, however, We may take up to forty-five (45) days to investigate the error. If We decide to do this, We will credit Your account within ten (10) Business Days for the amount You think is in error, so that You will have the use of the money during the time it takes Us to complete Our investigation. If We ask You to submit details regarding the error in writing and We do not receive such writing from You within ten (10) Business Days, We may not credit Your account. We will notify You of the results of Our investigation within three (3) Business Days after We complete Our investigation. If We determine that an error did not occur, We will provide You a written explanation. You may ask for copies of the documents that We used in Our investigation. If We provisionally recredit Your account, We may take back the amount of any credit if We determine that an error did not occur.

Notwithstanding the foregoing:

- For errors involving new accounts, point-of-sale or foreign-initiated transactions, We may take up to ninety (90) days to investigate Your error or issues. For new accounts, We may take up to twenty (20) Business Days to credit Your account for the amount You think is in error.
- For errors involving a transaction processed through the VISA system, We will provide provisional credit within five (5) Business Days after You notify Us instead of the usual ten (10) or twenty (20) Business Days. We may, in Our sole discretion, withhold providing this accelerated provisional credit, to the extent allowed under applicable law, if We believe that the circumstances of account history warrant the delay.

You agree that We shall have no liability for any losses or damages You suffer as a result of unauthorized transactions if You do not notify Us within sixty (60) days after the first Statement showing the electronic funds Transfer has been sent to You. If You do not notify Us within sixty (60) days after the Statement was sent to You, You may not get back any money You lost after the sixty (60) days if We can prove that You could have stopped someone from taking the money if You had told Us in time.

Small Business and Other Non-Personal Accounts Error Resolution Process

In connection with Your Non-Personal Account, if You discover any error, including any unauthorized transactions, You agree to notify Us IMMEDIATELY. We must receive notice of, and at Our request, an affidavit describing the error within a reasonable time, not to exceed fourteen (14) days from the date of discovery or Your receipt of the first Statement, report or notice reflecting the unauthorized transaction or error, whichever occurs first. You agree that We shall have no liability for any losses or damages You suffer as a result of unauthorized transactions if You do not notify Us within thirty (30) days after the earlier of discovery or the first Statement showing the electronic funds Transfer has been sent to You.

You also agree to (i) keep all usernames, passwords and other security codes strictly confidential, disclosing them only to trusted employees who have access to them in order to perform their employment duties; (ii) instruct those employees that they are not to disclose usernames, passwords or other security codes to any other person; and (iii) establish and maintain all procedures necessary to assure the access codes, passwords and other security codes will be maintained in strictest confidence. You agree to IMMEDIATELY notify Us if Your usernames, passwords or other security codes become known to an unauthorized person or You believe they may have become known to an unauthorized person. You understand and agree that the security procedures used by You and Us in connection with the Services are to be used to verify the authenticity and validity of communications, including requests for funds Transfers, received by Us in Your name, and are not intended to detect errors in such communications.

If You authorize persons to conduct transactions on any Non-Personal Account via the Services and then terminate such person’s authority, You agree to notify Us IMMEDIATELY. You further agree that We shall not be liable for any losses or damages You suffer as a result of any transactions conducted by such person on a non-personal Account prior to the time You notify Us that such person no longer has authority and We have had a reasonable amount of time to act on such notice.

Your Liability for Unauthorized Transactions

This section applies to unauthorized transactions involving Your username, password or security code, including unauthorized Bill Pay transactions.

You agree to notify Us IMMEDIATELY if You believe that Your username, password or security code has been lost, stolen or has been learned by an unauthorized person. You agree that such notification must be initiated by calling Our Client Support Center at 1.877.TEX.BANK (839.2265) followed by written confirmation to the mailing address provided in the “Our Client Support Center Contact Information” section of these Terms. Furthermore, You agree that the written confirmation must be received by Us within ten (10) days from the date of Your oral notification. If You assert that an

unauthorized Transfer may have occurred, or You believe Your username, password or other security code has become known to an unauthorized person, We may require You to sign a sworn statement/affidavit to that effect.

Personal Accounts

If You believe that an unauthorized electronic funds Transfer may have occurred, the risk to You in failing to notify Us is the potential loss of all funds in Your account. If You notify Us within two (2) Business Days after You learn of the loss, theft or compromise thereof by an unauthorized person, Your liability is up to \$50 for an unauthorized electronic funds Transfer or series of related unauthorized electronic funds Transfers should someone use Your username, password or security code without Your permission.

If You DO NOT notify Us within two (2) Business Days after You learn of the loss, theft or compromise of Your username, password or security code and We can prove that We could have stopped someone from using Your username, password or security code had You informed Us of the loss, theft or compromise thereof, Your liability could be as much as \$500.

Failure to notify Us of any unauthorized electronic funds Transfer as a result of unauthorized use of Your username, password or security code within sixty (60) days of when the first periodic Statement which reflected such unauthorized activity was mailed or otherwise made available to You could result in additional losses by You of up to 100 percent. We may in Our sole discretion extend the sixty (60) day timeframe when certain events prevent You from notifying Us promptly, such as extended travel or hospital stay. For Us to consider such an extension, You must notify Us of such an event, which We may verify.

Small Business and Other Non-Personal Accounts

If You believe that an unauthorized electronic funds Transfer may have occurred and Your account is a Non-Personal Account, You agree that any liability We may have shall be subject to reduction and offset on the basis of Your negligence or failure to use reasonable care on Your part, or the part of any other owner or signer on the account or that of any authorized user of the Services, or any of Your agents or any of Your employees which contributed to the loss, and to the extent to which damages could not be avoided by Our use of ordinary care.

WITHOUT LIMITING THE FOREGOING, YOU FURTHER AGREE THAT TO THE FULLEST EXTENT PERMITTED BY LAW, OUR LIABILITY SHALL NOT EXCEED THE AMOUNT OF ACTUAL DAMAGE OR LOSSES YOU INCUR UP TO THE FACE VALUE OF AN ITEM OR TRANSACTION IMPROPERLY DISHONORED OR PAID OR THE ACTUAL VALUE OF ANY DEPOSITS NOT PROPERLY CREDITED OR WITHDRAWAL NOT PROPERLY DEBITED.

If You have selected optional Mobile Banking Services, You understand that You are solely responsible for notifying Us IMMEDIATELY in the event that Your mobile device associated with the telephone number registered for Mobile Banking Services is lost, stolen, changed or destroyed. You understand that with regard to text messages, failure to promptly notify Us may result in Your failure to receive important text messages and/or the interception of such text messages by unauthorized third parties. You may also incur text messaging fees for such text messages even if You do not receive them. You agree that We are not responsible for any costs, expenses, losses, liabilities or damages that You incur as a result of Your failure to receive a text message, the interception of any text message by an unauthorized or other third party, or Your incurring of text messaging fees for text messages You did not receive.

YOU UNDERSTAND AND AGREE THAT IN ADDITION TO ANY DISCLAIMERS OR LIMITATIONS OF LIABILITY AS OTHERWISE STATED IN THESE TERMS, IN OTHER AGREEMENTS BETWEEN THE PARTIES, OR PROVIDED BY LAW, WE SHALL NOT BE LIABLE FOR LOSSES OR DAMAGES ARISING FROM: (i) NON-DELIVERY, DELAYED DELIVERY OR WRONG DELIVERY OF ANY EMAIL COMMUNICATION THAT YOU WOULD NORMALLY ACCESS VIA THE WEB BROWSER ON YOUR MOBILE DEVICE OR

OF ANY TEXT MESSAGE NORMALLY SENT DIRECTLY TO YOUR MOBILE DEVICE; (ii) INACCURATE CONTENT IN ANY EMAIL COMMUNICATION THAT YOU ACCESS VIA THE WEB BROWSER ON YOUR MOBILE DEVICE OR IN ANY TEXT MESSAGE SENT DIRECTLY TO YOUR MOBILE DEVICE; (iii) ANY ACTIONS RESULTING FROM THE INTENTIONAL OR UNINTENTIONAL DISCLOSURE BY YOU TO ANY UNAUTHORIZED PERSON OF THE CONTENTS OF ANY EMAIL COMMUNICATION YOU ACCESS VIA THE WEB BROWSER ON YOUR MOBILE DEVICE OR ANY TEXT MESSAGE SENT DIRECTLY TO YOUR MOBILE DEVICE; OR (iv) YOUR USE OR RELIANCE ON THE CONTENTS OF ANY SUCH EMAIL OR TEXT MESSAGE FOR ANY PURPOSE.

For any transactions processed through the VISA or MasterCard system, Your liability limits will differ from those set forth in this section. For certain transactions processed through the VISA or MasterCard system, You may have no liability if You report the unauthorized transactions to Us, in accordance with each network's respective "zero liability" policies for unauthorized transactions. We may, however, impose greater liability, up to the extent allowed by applicable law, if We reasonably determine that You were either grossly negligent (e.g., delay for an unreasonable time in reporting unauthorized transactions) or fraudulent in handling Your Services transactions processed through the VISA or MasterCard system.

Bill Pay Late Fees

Subject to the limitations set forth in these Terms, including those in the "Our Liability for Failure to Complete a Funds Transfer" section, if You comply with these Terms and follow the Bill Pay procedures described herein and You are assessed a penalty or late charge in connection with a late bill payment, We will reimburse You for that late charge up to a maximum of one hundred dollars (\$100.00) upon presentation of reasonable proof. In the event that You do not adhere to the terms and procedures set forth in these Terms, or You schedule a payment less than the number of Business Days before the due date required for a particular payee, You will bear full responsibility for all penalties and late fees and We will not be liable for any such charges or fees. We assume no liability for the late posting or misapplication of payment once funds are received by payees. This absence of liability, however, does not preclude Us or Our third-party service provider from working to resolve these types of issues when they arise.

If You permit a child under the age of 13 to use the Services, or give the child Your username or password or other security code, You agree that You are responsible for all activity the child initiates from or to any of Your accounts, even if he or she exceeds Your authorization. You understand that You can contact Us at the mailing address, phone number or email address provided in the "Our Client Support Center Contact Information" section of these Terms with any questions or concerns.

Furthermore, You understand and acknowledge that if You do not implement Your own commercially reasonable hardware, software, physical access and physical storage security procedures regarding any of the data owned by You, which may include data containing sensitive and personally identifiable information (“PII”), and follow such procedures, the security of the Services and Your data may be compromised. You understand and agree that You are solely responsible for (a) installing, maintaining and operating Your mobile device (hardware and software); (b) securing, encrypting, protecting and otherwise safeguarding the data owned by You; and (c) for adopting and following related security procedures including, but not limited to, data security protection, firewalls and anti-virus software.

In addition to other limitations on Our liability contained elsewhere in these Terms, in other agreements between the parties, or provided by applicable law, You understand, acknowledge and agree that We are not responsible for any loss or damages resulting from any errors or failures of Your mobile device or data processing systems, including, but not limited to, any mobile device virus or malware attack (such as a keystroke logging program or similar malware), any attack by a person attempting or actually gaining unauthorized access to the data owned by You, or any mobile device network problems that may be associated with Your access and use of Our Mobile Banking Services.

For avoidance of doubt, You understand, acknowledge and agree that all data provided by You to Us (including, but not limited to, electronic images or Substitute Checks retained on any processing equipment or processing software [including Your mobile device] used by You in conjunction with the Services) remains Your data even though provided to Us. Further, the data You provide to Us remains Your data even if produced, compiled or otherwise provided by Us to You, in any form or format. We will make available to You upon written request and to the extent required by applicable law, any information in the control or possession of Us concerning any financial product or service You obtain from Us, including information relating to any transaction, series of transactions, or any of Your accounts including costs, charges and usage data. We reserve the right to charge reasonable fees for providing such information, and You agree to reimburse Us for any expenses We incur in providing such information to You. Once Your data is delivered by Us to You, retrieved by You from

Us, or otherwise created as a by-product of a transaction between You and Us and retained by You, such data is solely within Your possession and control.

Information Regarding Mobile RDC Transactions

By electing to use the Mobile Banking Services You subscribe to, and We agree to provide, the Mobile Remote Deposit Capture (“Mobile RDC”) Service to be used by You in accordance and in compliance with the Check Clearing for the 21st Century Act, codified at 12 U.S.C. § 5001–5008 (“Check 21 Act”) and subject to these Terms and any documentation made available to You by Us related to the Mobile RDC Service. For purposes of this section and the other provisions of these Terms relating to

the Mobile RDC Service, any capitalized term not otherwise defined herein shall have the definition ascribed to such term under the Check 21 Act. The Mobile RDC Service is a Mobile Banking Service that enables You to create and submit electronic check images (also known as “Image Replacement Documents”) to Us, for deposit to Your personal or small business deposit account(s), as applicable, in lieu of the original paper checks (“Original Checks”) from which such check images were obtained.

We may establish in Our sole discretion conditions that must be met for using the Mobile RDC Services. If We determine, in Our sole discretion, that You have met the conditions We have established, We will provide for acceptance for deposit to Your account(s) the electronic images of Original Checks for collection as allowed under these Terms and any documentation related to the Mobile RDC Service. We may also establish in Our sole discretion dollar amount limits and daily number of transaction limits for Mobile RDC. You should talk to Your Texas Capital Bank banker for information regarding any dollar limits and daily number of transactions restrictions applicable to Your account(s). Any item that exceeds Your daily limits must be delivered to Us for processing or held until the next Business Day for transmittal.

By depositing electronic images with Us via the Mobile RDC Services, You give Us the same warranties and indemnities that We, as a reconverting bank, would give under applicable law or regulation. You understand and agree that all of the warranties deemed given by a depositor of a check to a bank under the Uniform Commercial Code, as applicable from time to time in the State of Texas (“Texas UCC”), shall also apply to any electronic image of an Original Check the same as if such electronic image or Substitute Check were a paper check within the meaning of the Texas UCC. Accordingly, except to the extent that any warranties deemed given under the Texas UCC are expressly superseded by the Check 21 Act or its associated regulations (“Check 21 Regulations”), You understand that You are deemed to give Us all the same warranties You would have given under the Texas UCC for the deposit of an Original Check by transferring to Us: (a) any Substitute Check; (b) an IRD or other item purporting to be a Substitute Check; or (c) any electronic image that purports to contain a Sufficient Image Copy of an Original Check or a Substitute Check. Such warranties include the following two (2) specific warranties regarding Transfer and presentment:

- (1) You warrant that the electronic image We convert to a Substitute Check meets the requirements described in the Check 21 Regulations (found at 12 CFR §229.51(a)(1)–(2) and as amended from time to time) for legal equivalence, and
- (2) Your warranty given above is deemed given to Us and any other person, company or bank to which We Transfer, present or return any of the Images included in such electronic file as a Sufficient Image Copy or that purports to be a Sufficient Image Copy created by Us or any subsequent bank receiving a copy of such image.

Prohibited Transactions; Procedures; Retention of Original Checks

Prohibited Transactions. You agree not to use the Mobile RDC Service to deposit or otherwise process: (i) non-cash items; (ii) items drawn on foreign banks or payable in other than U.S. money; (iii) items without preprinted magnetic ink routing numbers; (iv) items for which You are not a holder in due course; (v) Substitute Checks, except those which have been returned to You for any reason; (vi) items payable to any person or entity other than You (i.e., no third-party deposits); (vii) items containing apparent alterations to any of the information on the front of the check or item, or which You know or suspect (or should know or suspect) are fraudulent or otherwise not authorized by the owner of the account on which the check or item is drawn; (viii) items dated more than six (6) months prior to the date of deposit; (ix) items prohibited by Our procedures relating to the Services or which are not acceptable under these Terms; (x) Original Checks or other items previously converted to a Substitute Check; (xi) checks or items that are Remotely Created Checks (as defined in Regulation CC, 12 CFR Part 229 [“Reg. CC”]); (xii) checks or items prohibited by these Terms or any documentation related to the Mobile RDC Service, or any other agreement between the parties or applicable law; or (xiii) checks or items which are otherwise not acceptable under the Terms of Your account(s). You further agree that You will not permit any third party to use the Mobile RDC Service to deposit Original Checks to Your account.

Processing of Mobile RDC Deposits. You shall submit check images to Us in such format, and with such associated check information, as We may require periodically, utilizing Accredited Standards Committee X9’s Specifications for Electronic Exchange of Check and Image Data (DSTU X9.37-2003) and in conformance with the requirements of Our App. We reserve the right to reject any single check image or group of check images for any reason in Our sole discretion, before or after it/they appear on Our system.

Prior to transmittal, all checks submitted using the Mobile RDC Service must be properly endorsed payable to the order of “Electronically Deposited to Texas Capital Bank,” followed by Your signature and account number. All endorsements must appear on the back of the check or other item within the first 1½ inches from the left side of the item when looking at it from the front. Items transmitted without being properly endorsed are subject to rejection by Us. While We may accept nonconforming endorsements, You agree to be responsible for any loss, damage, cost or expense (including attorneys’ fees) We incur due to the delay in processing or returning the item for payment.

You agree to inspect and verify the quality of the check images, ensuring that the check images of the front and back of the Original Check are legible for all posting and clearing purposes by Us. Specifically, You warrant the following: (i) the check image is an accurate representation of the information contained in the Original Check, and the check image includes all endorsements from the Original Check; (ii) each check image contains a record of all MICR line information required for a Substitute Check, and the check image satisfies all of the requirements of the Check 21 Act and Regulation CC; (iii) the Original Check, a duplicate check image, or any copy of the Original Check or check image will not be deposited by You with Us; and (iv) the Original Check, a duplicate check image, or any copy of the Original Check or check image will not be presented, transferred or returned such that We or any other person will be asked to make a payment based on a check or check image that has already been paid. **You agree that We shall have no responsibility or liability for any fees incurred due to the rejection of transmitted items for missing/incomplete endorsements.**

Electronic images shall be deemed received by Us for deposit based upon time of receipt as well as successful receipt of electronic images that are complete, usable and adhere to the standards discussed above. If any electronic image is not complete, is not usable, or does not adhere to the standards, the electronic image may not be processed by Us, in which event Your deposit will be adjusted and notification provided. You understand We will process only Your electronic images that comply with the standards discussed above and are Sufficient Image Copies, and We will use commercially reasonable efforts to present these Sufficient Image Copies for collection under the Check 21 Act framework. The daily cutoff time for Mobile RDC deposits is 8:30 p.m. CT. Such daily cutoff times may be adjusted by Us in Our sole discretion from time to time upon notice to You. If the deposits are not received by the end-of-day cutoff time, We do not guarantee that deposits will be processed that day. We may accept these deposits and they will be processed on Our next Business Day. We shall give provisional credit for deposits subject to revocation of credit for deposits as provided in Reg. CC and the Texas UCC. Unless We notify You otherwise, We provide same-day credit to the applicable account for all items transmitted by You and received by Us within the timelines We have established. You should review the “Funds Availability Regarding Mobile RDC Deposits” section of these Terms for details regarding the availability of funds deposited via Mobile RDC Services.

Should a Drawee Financial Institution return an item to Us unpaid, We will charge Your respective account for such returned item and may either (i) return the item to You, or (ii) re-present it to the Drawee Financial Institution before returning it to You. Items may be returned as Image Exchange Items, rather than Substitute Checks. Should a Drawee Financial Institution or other third party make a claim against Us or seek re-credit with respect to any electronic image, We may provisionally freeze or hold aside a like amount in Your account pending investigation and resolution of the claim.

We may reject any entry which We determine in Our sole discretion would result in a breach of these Terms or any other agreement between the parties, including, but not limited to, the Agreement and any account balance obligations applicable to Your account(s) or any security procedures. We will notify You by phone or electronic transmission, including email or fax, of such rejection no later than the Business Day such deposit would otherwise have been transmitted by Us to the Federal Reserve. Notices of rejection shall be effective when given. **You agree that We will have no liability to You by reason of the rejection of any such deposit or the fact that such notice is not given at an earlier time than that provided for herein.**

You shall have no right to cancel or amend any deposit after its receipt by Us. However, if You make a request to cancel a deposit We may attempt to cancel Your request prior to transmitting the deposit to the Federal Reserve, but will have no liability if such cancellation is not implemented. You agree to reimburse Us for any costs, losses, damages or expenses (including attorney's fees) We may incur in implementing or attempting to implement Your request for the reversal of a deposit.

You understand and agree that We are relying on the truth and veracity of all electronic images submitted for deposit via the Mobile RDC Services by You to Us, and You warrant that such electronic images accurately reflect Original Checks that are, or at the time of the creation of the Substitute Checks, were, in Your possession. You also understand and agree that issues regarding returned item collection, returned deposit and other issues regarding deposit of items not specifically addressed in these Terms shall be governed by the terms and conditions of the Agreement.

Retention and Security of Original Checks. You agree to retain any Original Check that is deposited via the Mobile RDC Services in a secure location for an appropriate length of time to permit research if items are questioned by parties involved in the processing and clearing of a transaction or become the subject of any other legal inquiry. We make no representation or warranty as to the appropriate length of time that Original Checks should be retained or the appropriate method(s) of destruction after such period of time has elapsed. You should consult legal counsel regarding the appropriate length of time Original Checks should be retained based on Your needs.

Funds Availability Regarding Mobile RDC Deposits

Your Ability to Withdraw Funds. The provisions in this section of these Terms apply to personal accounts where deposits are made via Your Mobile RDC Services. You agree that electronic images submitted via Mobile RDC Services from Your mobile device are not subject to the funds availability requirements of Reg. CC.. Funds that are deposited using Mobile RDC Services will not be deemed "received" by Us until We have received an electronic image that meets all of the requirements for deposits (including all requirements to create a Substitute Check) stated in these Terms and any additional documentation related to the Mobile RDC Service. Funds from your Mobile RDC Services will be available to you no later than nine (9) Business Days after the day we receive Your deposit. Once the funds are available, You can withdraw the funds and We will use the funds to pay items and transactions drawn on Your account. If You make a deposit via the Mobile RDC Service by the cutoff time of 8:30 p.m. CT on a day that is not a Business Day, We will consider such deposit made on the next Business Day We are open.

In some cases the funds You deposit via the Mobile RDC Service may be delayed for a longer period. We may determine in Our sole discretion that a longer delay is warranted for a variety of reasons, including, but not limited to, the following:

- We believe a check You deposit will not be paid;
- We believe a check You deposit is a duplicate image;
- You deposit checks totaling more than any applicable per item limit, daily dollar amount limit, monthly item limit or any other limitations on Your Mobile Banking Services that We may impose;
- You redeposit a check that has been returned unpaid;
- You have overdrawn Your account multiple times in the last six (6) months;

- There is an emergency, such as failure of computer or communications equipment; and/or
- We need more time to investigate the Mobile RDC transaction or item for unusual or suspicious activity.

Inability to Make Deposits Via the Mobile RTC Service. In the event that You are unable to make a deposit via the Mobile RDC Service (as a result of unforeseen issues, technical reasons or for any other reason), You may make Your deposits in person at any of Our branches or by mailing deposits to:

Client Support Center
2350 Lakeside Blvd., Suite 800, Richardson, TX 75082

Small Business Account Funds Availability Regarding Mobile RDC Deposits

Your Ability to Withdraw Funds. The provisions in this section of these Terms apply only to demand deposit checking accounts where deposits are made via Mobile RDC Services. You agree that electronic images submitted via Mobile RDC Services from Your mobile device are not subject to the funds availability requirements of Reg. CC. Our policy is to generally make funds from Mobile RDC Services available to You on the first Business Day after the day We receive Your deposit. Funds that are deposited using Mobile RDC Services will not be deemed "received" by Us until We have received an electronic image that meets all of the requirements for deposits (including all requirements to create a Substitute Check) stated in these Terms and any additional documentation related to the Mobile RDC Service. Once the funds are available, You can withdraw the funds in cash and We will use the funds to pay items and transactions drawn on Your account. If You make a deposit via the Mobile RDC Service by the cutoff time of 8:30 p.m. CT on a day that is not a Business Day, We will consider such deposit made on the next Business Day We are open. Longer Delays May Apply. Notwithstanding the foregoing, in some cases We may not make all of the funds that You deposit via the Mobile RDC Service available to You on the first Business Day after the day of Your deposit. Depending on the type of check You deposit, funds may not be available until the second Business Day after the day of Your deposit. The first \$225 of Your Mobile RDC Service deposits, however, will be available on the first Business Day. If We are not going to make all of the funds from Your deposit available on the first Business Day, We will generally notify You at the time You make Your deposit. We will also attempt to tell You when the funds will be available. If Your deposit is not made directly to one of Our employees, or if We decide to take this action after You have left the premises, We will mail You the notice by the Business Day after We receive Your deposit. If You will need the funds from a deposit via the Mobile RDC Services, You should contact Us to inquire when the funds will be available.

In some cases the funds You deposit via the Mobile RDC Service may be delayed for a longer period. We may determine in Our sole discretion that a longer delay is warranted for a variety of reasons, including, but not limited to, the following:

- We believe a check You deposit will not be paid;
- We believe a check You deposit is a duplicate image;
- You deposit checks totaling more than any applicable per item limit, daily dollar amount limit, monthly item limit or any other limitations on Your Mobile Banking Services that We may impose;
- You redeposit a check that has been returned unpaid;
- You have overdrawn Your account multiple times in the last six (6) months;
- There is an emergency, such as failure of computer or communications equipment; and/or
- We need more time to investigate the Mobile RDC transaction or item for unusual or suspicious activity.

Inability to Make Deposits Via the Mobile RTC Service. In the event that You are unable to make a deposit via the Mobile RDC Service (as a result of unforeseen issues, technical reasons or for any other reason), You may make Your deposits in person at any of Our branches or by mailing deposits to:

Texas Capital Bank
Client Support Center
2350 Lakeside Blvd., Suite 800, Richardson, TX 75082

Your Representation and Other Agreements; Indemnity

With respect to each and every deposit initiated by You, You represent and warrant to Us and agree that to the best of Your knowledge (a) each deposit is made payable to You; (b) any necessary authorization is operative at the time of transmittal or crediting/debiting by Us as provided herein; and (c) You shall perform Your obligations under these Terms in accordance with all applicable laws and regulations, including the sanctions laws administered by the Office of Foreign Assets Control (“OFAC”) and the Bank Secrecy Act. You further represent that You shall permit no third parties to use the Mobile RDC Service to deposit Original Checks to Your account. Limitation on Liability for Mobile RDC Services

Our liability with respect to Mobile RDC Services shall not exceed the sum of the amount of any actual loss suffered by You as a result of a breach of warranties under Reg. CC up to the amount of any Substitute Check, plus interest, costs and expenses (including reasonable attorney fees and other expenses of presentation) related to the Substitute Check, reduced by any amount You receive and retain as a re-credit and the amount of any damage incurred as a result of Your negligence or bad faith. Without limiting the generality of the foregoing, We shall be excused (a) from any liability for failing to act or delay in acting if such failure or delay is caused by legal constraint, interruption of transmission of communication facilities, equipment failure, war, emergency conditions, or other circumstances beyond Our control; and (b) from any liability for failing to transmit or delay in transmitting a deposit if such transmittal would result in Our having exceeded any limitation upon Our intraday net funds position established pursuant to present or future Federal Reserve guidelines or, in Our reasonable judgment, would otherwise violate any provision of any present or future risk control program of the Federal Reserve or any rule or regulation of any other U.S. governmental regulatory authority. You agree You will have a contingency plan in place should any of the foregoing events occur, including temporarily depositing original, paper items at any of Our branch facilities.

Subject to the foregoing limitations, Our liability for loss of interest resulting from Our error or delay shall be calculated by using a rate equal to the average Federal Funds rate at the Federal Reserve Bank of Dallas for the period involved.

The limitations on Our liability contained in this section shall be in addition to all other limitations on Our liability provided for in these Terms, in other agreements between the parties, or provided by applicable law.

Account Balances

You can use the Online Banking Service to view the balances in the deposit accounts that You have enrolled in the Service. Your account balances will generally be current as of the time of Your inquiry. However, please be aware that pending transactions may impact Your account balances and funds availability. The online information provided to You may not include all pending account transactions (e.g., outstanding checks) and may include funds that are not available for immediate withdrawal. Balances and account activity are updated by the next Business Day.

Viewing Account History

The Online Banking Service allows You to review transaction information for deposit accounts enrolled in the Service. If the account is a checking account, You may view a minimum of three (3) months (including the current month) of transaction information through the current date; for other accounts, You may review all available information, including Certificate of Deposit maturity dates and dividends. Account activity is updated every Business Day.

Funds Transfers Between Your Accounts

You may Transfer funds between eligible deposit accounts at Texas Capital Bank which You own or control (either individually or jointly with others), and from which You have an unrestricted right to withdraw funds (“Transfer”). Online Banking Transfer requests post same Business Day if completed prior to **11:00 p.m. Central Time (CT)**. Online Banking Transfer requests received by Us after the cutoff time or on a day that is not a Business Day will be processed on the next Business Day. We reserve the right to change Our Transfer cutoff time.

You may also schedule Transfers to be initiated on a future date, or on a recurring basis. You may schedule Transfers to recur at regular weekly, monthly, quarterly, semiannual or annual intervals or other intervals We may make available for up to ten (10) years (“Recurring Transfer”). If a Recurring Transfer falls on a non-Business Day, the Transfer will be executed on Our next Business Day. If You cancel a Recurring Transfer on one occasion, all future Recurring Transfers will also be canceled.

Except for the Online Banking Express Transfers which are completed immediately, You may cancel or modify a pending Online Banking Transfer up to **11:00 p.m. Central Time (CT)** on the same Business Day You schedule the Transfer(s).

You must receive a Confirmation Number for any Transfer request. If You do not receive a Confirmation Number, the Transfer will not be processed, and We will not be liable for any failure to make the Transfer.

Except for Zelle® Transfers the maximum dollar limit of any Transfer is equal to the available balance in the account from which the Transfer is to be made. You acknowledge and agree that You must have sufficient funds in the selected account to cover the amount of any Transfer. Zelle® Transfer limits are available as set forth in Section 15 of the Zelle® Terms of Service Addendum to these Terms. If Your account does not have sufficient funds to complete a Transfer, or if You attempt to complete a Zelle® Transfer in excess of the applicable limits, We may refuse to conduct the Transfer. If We do complete the Transfer, You are responsible for any Overdrafts or fees that are generated.. If We do, You agree to immediately pay the overdraft and any fees incurred. We may discontinue permitting overdrafts at any time, without prior notice. The amount of applicable fees is set forth in the Fee Schedule applicable to Your account. We are under no obligation to notify You if We do not complete a Transfer because there are insufficient funds in Your account to process a Transfer request.

In-Bank Funds Transfers

In-Bank Funds Transfers (“In-Bank Funds Transfers”) is a service within Online Banking that enables You to move money between eligible accounts at Texas Capital Bank.

To Transfer funds from one account at the Bank to another, You must log in to Online Banking, navigate to the Move Money > In-Bank Funds Transfer page, and enter the recipient and transaction details. You must enter the account the Transfer is to be made from and the amount. You will also have the option to enter a description for the Transfer. For the recipient, You must enter the recipient’s email address (associated with the recipient’s Texas Capital Bank Online Banking username) and the last four (4) digits of the recipient’s account number at the Bank. When the Transfer is complete, You will receive a confirmation with a Tracking ID. If You do not receive a Tracking ID, the In-Bank Funds Transfer will not be processed, and We will not be liable for any failure to make the In-Bank Funds Transfer.

You can choose to make a single Transfer to another account holder at the Bank or link another account holder’s account (for deposit purposes only) to Your Online Banking username. If You plan to make more than one Transfer to the other account holder, or if You need to create a Recurring or future-dated Transfer, linking the account is required. To link another customer’s account to Your Online Banking username, You must enter the recipient’s email address (associated with the recipient’s Texas Capital Bank Online Banking username) and the last four (4) digits of the recipient’s account number at the Bank. Once the accounts are linked, when You next log in to Online Banking, the other customer’s account will be in the “To” account list on Your Funds Transfer page. You will not have to re-enter the recipient’s information for each In-Bank Funds Transfer; You can simply select the recipient from a drop-down list.

In-Bank Funds Transfer requests post same Business Day if completed prior to 11:00 p.m. Central Time (CT). In-Bank Funds Transfer requests received by Us after the cutoff time or on a day that is not a Business Day will be processed on the next Business Day. We reserve the right to change Our In-Bank Funds Transfer cutoff time.

You acknowledge and agree that You may not amend or cancel an In-Bank Funds Transfer after Bank has received it. In the event You request for Bank to amend or cancel an In-Bank Funds Transfer that has been received, Bank may, in its sole and unfettered discretion, make a reasonable effort to act upon Your request. Under such circumstances, You acknowledge and agree that Bank is not liable to You in the event the In-Bank Funds Transfer cannot be amended or canceled, for any reason. Furthermore, You acknowledge and agree to indemnify and reimburse Bank for any losses We incur which may result from Your request to amend or cancel an In-Bank Funds Transfer.

Optional Zelle® Service

If You elect to use the optional Zelle® Service that is offered by Us as part of the Online, You understand that Your use of the Zelle Service (as that term is defined below) is subject to the separate “Zelle Terms of Service” that We shall provide to You when You register for the Zelle Service. Proceeding with using the Zelle Service constitutes Your agreement to the Zelle Terms of Service

We have partnered with the Zelle Network (“Zelle”) to enable a convenient way to transfer money between You and others who are enrolled directly with Zelle or enrolled with another financial institution that partners with Zelle (each, a “User”) using aliases, such as email addresses or mobile phone numbers (the “Zelle Service” or “Zelle Services”). Financial institutions that have partnered with Zelle are referred to as “Network Banks.” Zelle provides no Deposit Account or other financial services. Zelle neither transfers, nor moves money. You may not establish a financial account with Zelle of any kind. All money will be transmitted by a Network Bank.

Bill Pay Services

Bill Pay offers an electronic alternative to the traditional method of paying bills. You can handle almost any type of payment electronically through Bill Pay and schedule payments to be made as one-time transactions or as recurring transactions. You are solely responsible for enrolling each of Your payees (i.e., billers). Bill Pay provides You with a Confirmation Number every time You make a payment and it keeps track of Your payment history. You may also have the ability to receive bills electronically from participating payees (“eBills”).

You agree to be solely responsible for regularly and frequently reviewing Your scheduled payments to confirm their accuracy and keeping Your funding account balance sufficient to pay any bills through Bill Pay. You will have the ability to manually set up one-time and recurring payments with Bill Pay. You do not need to receive eBills in order to manually make payments with Bill Pay. Any recurring Bill Pay transaction You set up manually must have a fixed frequency and amount. Once You have requested a recurring Bill Pay transaction, the payment will be made regularly by Us without further request from You.

The eBills feature of Bill Pay enables You to connect with payees and receive bills electronically from participating payees. Depending on the payee, You may also get additional information up to and including the full PDF equivalent of the paper bill You would have received via regular mail. You understand and acknowledge that payees establish their own criteria for reviewing a request to receive eBills and have sole discretion to accept or decline Your request. We take no responsibility if a payee does not provide the necessary data to forward an eBill in a timely manner. If You do not receive an eBill, it is Your responsibility to contact the payee directly. We are not responsible for any late charges or other adverse consequences if an eBill is not received timely. Any questions regarding eBill details should be directed to the payee. Receiving an eBill is not an obligation to pay it. You can choose to receive an eBill and make Your payment elsewhere (or not at all) if You wish.

If You enroll on eBills, then Bill Pay may offer You the ability to schedule payments to be made automatically on recurring dates (“AutoPay”). AutoPay is only available once You are enrolled with eBills for a particular payee. This AutoPay feature provides You the option to select to automatically pay whatever amount is due. The AutoPay feature varies from payee to payee and is not available for all payees. If You elect to participate in AutoPay within Bill Pay, then You are authorizing Us to schedule and submit payments on Your behalf. As with any payments, You are solely responsible for ensuring Your funding account has appropriate funds to cover any payments processed through the AutoPay feature. It is Your responsibility to ensure additional payments are not made through the AutoPay feature for duplicate and replacement bills.

Enrollment or continued use of Bill Pay when not eligible will not relieve You of obligations under these Terms and will not limit any damages. Only customers who have enrolled in Bill Pay are able to participate in Bill Pay. You hold Us harmless from any losses or damages, direct or indirect, should a payee fail to receive Your payment, deliver an inaccurate payment, or fail to deliver a payment in a timely fashion or deliver any payment (including AutoPay), resulting from or due to the payee’s own technical or operational difficulties. Each payee reserves the right to accept or deny Your request to receive Your payments.

You may cancel Bill Pay at any time. We will not be responsible for presenting any payments already in process at time of cancellation. These Terms do not alter Your liability or obligations that currently exist between You and Your payee. The timeframe for cancellation of Your electronic bill presentment may vary from payee to payee. It is Your sole responsibility to make arrangements for an alternative form of bill delivery after cancellation or deselection of a payee.

Eligible Accounts and Payees

Only checking accounts can be enrolled in the Bill Pay Service. Savings, certificates of deposit or money market accounts are not eligible for the Bill Pay Service.

We reserve the right to restrict payees or categories of payees to whom payments may be made using the Bill Pay Service from time to time. We recommend that You do not use the Bill Pay Service to pay alimony, child support, tax, and other court-directed or government payments, fines, or penalties. Payments, additional fees, penalties or other losses associated with payments to these types of payees are Your sole responsibility.

Scheduled Payments

Payments that are made on future dates, which You specify, are called scheduled payments. These include single payments and recurring payments. The first Payment Date can be up to 12 months in advance.

Types of Payments

Bill Pay gives You the flexibility to pay a:

- **Bill** — By selecting Pay a Bill, You can pay anyone from Your credit card company to Your lawn care service.
- **Person** — By selecting Pay a Person, You can pay an individual electronically if they have a U.S. bank account and have a valid email address.
- **Charity** — By selecting Send to a Charity, You can make donations to numerous charities.
- **Gift** — By selecting Send a Gift, You can send a gift check for those special birthdays, wedding anniversaries, graduations or just because.

These types of payments can be made as:

- A single payment is paid at a time You specify.
- A recurring payment is scheduled to repeat as many times as You specify at intervals such as monthly, bimonthly and annually for up to 10 years.

Important Bill Pay Timelines:

- You must allow at least five (5) Business Days prior to the due date for each payment (single or recurring) to reach the payee by the due date. It is Your responsibility to schedule payments a sufficient number of Business Days in advance of its due date so that it is delivered to the payee by the due date.
- For check payments, the number of days to allow payments to reach the payee depends on the location of the payee. Please use the following recommendations to ensure Your payments are received on time.

For payees located:

- Central or Eastern regions of the U.S.: a minimum of five (5) Business Days
- Midwest region: a minimum of seven (7) Business Days
- West Coast and Hawaii regions: a minimum of eight (8) Business Days

For Electronic payments, allow a minimum of three (3) Business Days.

Note: Additionally, due to circumstances beyond the control of the Bill Pay Service, particularly delays in handling and posting payments by the payee, some transactions may require a few days longer to be credited by the payee to Your account.

- For life-impacting payments such as mortgage, auto and insurance, We strongly encourage You to avoid scheduling within the grace period.

- Single payment requests must be received prior to the cutoff time set by Texas Capital Bank, which is currently 2:00 p.m. Central Time (CT), on the scheduled date. This cutoff time may be changed by Texas Capital Bank giving notice to You of the new cutoff time. Single payment requests received after the cutoff time, or at any time on a non-Business Day, will be processed the next Business Day.
- For recurring payments, if the scheduled date is the 29th, 30th or 31st of a month and that date falls in a month whose last day is sooner than the 29th, 30th or 31st (as applicable), the payment will be processed on the first Business Day of the following month.
- The Payment Date indicated by You must always be a "Business Day." For the purpose of the Bill Pay Service, Business Days are Monday through Friday excluding federal banking holidays. If it is not scheduled on a Business Day, the Payment Date will either be the first Business Day after the date indicated, or the previous Business Day before the date indicated determined by You.

Payments Cancellation/Modification

Within the payment section, You may view Your scheduled payments, view Your payment history, add a new payment account and/or view Your Bill Pay accounts. You may also, review and/or edit Your scheduled payments (single and recurring) and delete a selected payment before the payment occurs.

 - Recurring payment — You can change the amount, next Payment Date and all future payments.
- You may cancel or change a scheduled or recurring payment up until 2:00 p.m. Central Time (CT) on the day Your payment is processed.

 - You may change a recurring payment amount.
 - Important — If You change the recurring date, You must stop the recurring payment first and then add a new recurring payment with the new date.
 - Completed payments cannot be canceled or changed. If You have a question about stopping a payment after 1:00 p.m. CT on the transaction date, call the Bill Pay Support Center as soon as possible at 1.877.296.4125 (Monday through Friday, 6:30 a.m. to 10:00 p.m. CT).

Payment Limitations — The maximum dollar limit on Your total payment transactions is equal to the available balance in Your account from which the payment(s) is to be made, but cannot exceed \$99,999.99 per Business Day.

Transfer and Pay a Person Limitations — The maximum dollar limit on Your total Transfers/pay a person may not exceed \$10,000.00 per Business Day without Our prior approval.

Payments/Payment Date

Funds will arrive at Your targeted payee and/or account as close as reasonably possible to the date designated by You in Your payment and/or Transfer instruction ("Payment Date"). Subject to the terms and disclosures of these Terms, You authorize Us, and any third party acting on Our behalf, to choose the most effective method to process Your payment and/or Transfer, including, without limitation, electronic, paper or some other draft means. For each properly instructed payment to an eligible payee and/or Transfer to a targeted account You will receive a transaction confirmation number ("Confirmation Number").

The Payment Date indicated by You must always be a Business Day. If it is not, the Payment Date will either be the first Business Day after the date indicated, or the previous Business Day before the date indicated as determined by You.

Unless You receive a Confirmation Number, We shall not be liable for any failure to make a payment and/or Transfer, including any finance charges or late fees incurred as a result. It is also important that the Payment Date be on or before the payee due date. Since the time for Us to process Your payment varies according to the particular payee, You must become familiar with the payment processing time for each payee You desire to pay, and allow the appropriate number of Business Days between the day You input Your payment instruction and the Payment Date.

Payees

Within the payees section of the Bill Pay Service, You may set up Your list of payees, change information and delete a payee.

To add a payee, You will be prompted to enter the name of the payee, account number, ZIP code, etc. Once You confirm that the information entered is correct, it may take approximately three (3) Business Days to verify and confirm the payee information before the payment can be processed.

Important Note: In order to pay a bill electronically, every payee(s) You want to pay must be in Your personal payee list together with all account numbers You have with each payee. If You do not provide the correct payee and account information, Your payments may not be successfully completed. Your Bank Statement reflects how Your payments are made. Electronic and paper payments include the payee name.

We Reserve the Right to Refuse any Payee

We reserve the right to refuse to complete any payment instruction You may submit. We will notify You promptly if We decide to refuse to pay any designated payee. Payments to settle securities purchases, payments to interest bearing accounts, tax payments or court-ordered payments (e.g., alimony or child support payments) are discouraged. Payments, additional fees, fines, penalties or other losses associated with payments to these payees that are delayed or improperly addressed or credited are Your sole responsibility.

Additional Bill Pay Features

- Preferences — Within the Preferences area, You can schedule and view Your scheduled e-notifications, change Your contact information, change Your default settings and view Your security features.
- Calendar — Within the Calendar section, You can view Your payment calendar and Your scheduled reminders.

How Bill Pay Manages Insufficient Funds

- If funds are not available on the requested processing date, Your Transfer or bill payment may be canceled. If canceled, You will be required to reschedule the payment because the Bill Pay system will only try to process the payment one time.
- If a recurring payment is canceled, future payments on the recurring schedule will not be affected; however, You will need to reschedule the canceled payment if You want it to be paid.

Important Things to Know About Bill Pay

There are three important considerations when using Bill Pay Services:

- You should never schedule payments to arrive later than the due date.
- Always verify that sufficient funds are available to pay Your bill.

- Review Your payee information regularly to ensure that Your account number, the billing address or other important information is correct and current. Reviewing this information is very important to ensure that Your payments are made when You need them to be there without late fees.

When You schedule a payment, it will be paid by using one of the following methods:

- If Your payee accepts electronic payments, funds will be transferred from Your account to the payee according to Your scheduled date and amount.
- If Your payee does not accept electronic payments, and if We are unable to process Your payment electronically, We will withdraw the funds from Your account and create a check that will be mailed by U.S. Mail. In either case, You should schedule Your payments as suggested, for payees located:
 - Central or Eastern regions of the U.S.: a minimum of five (5) Business Days
 - Midwest region: a minimum of seven (7) Business Days
 - West Coast and Hawaii regions: a minimum of eight (8) Business Days
 - Electronic payments: allow a minimum of three (3) Business Days

Note: For life-impacting payments such as mortgage, auto and insurance, We strongly encourage You to avoid scheduling within the grace period.

- It is the payee's responsibility to post the payment in a timely manner. For payees who do not accept electronic payments, it is strongly encouraged to schedule Your payment more than five (5) Business Days in advance so the payee has ample time to actually post Your payment. We make every effort to mail the check so that it arrives by the Payment Date You specified.
